

Community Interpreter Training Program

Use your language skills to start a new career and help your community as a professional interpreter!

Complete the 80-hour internationally recognized interpreter training course to earn a certificate and get to work where language help is needed including

- Healthcare settings
- Education and schools
- Social service and resource agencies

This exciting new course is available exclusively to students enrolled in Kent ISD Adult Education's ESL program.

This class is **FREE** and you'll earn your certificate in less than 3 months!

This class will provide

- 20 hour preparation class where you will study medical terminology and other contextual vocabulary
- Hands-on practice with "real life" situations
- Instructors who care and will work with you
- Connection to employers looking to hire professional interpreters

Schedule:

Beckwith Adult Education (20 hour terminology prep)

Monday-Thursday 12:30pm-3:00pm

Kent Career Tech Center (60 hour interpreter training)

Tuesdays and Thursdays 3:30pm-7:30pm
