Help Your Child Succeed in Preschool and Kindergarten

Build the Habit of Good Attendance

DID YOU KNOW...

Make the most of early grades by encouraging your child to attend every day.

WHAT YOU CAN DO

Lay out clothes and pack backpacks the night before.

Visit Attendance Works at www.attendanceworks.org for free downloadable resources and tools!

First Aid: Animal Bites

These guidelines can help you care for a minor animal bite, such as one that only breaks the skin:

- Wash the wound thoroughly with soap and water.
- Stop any bleeding by applying pressure with a clean cloth or towel.
- Cover the bite with a clean bandage. Keep the bandage on until the wound forms a scab. Change the bandage if it gets dirty.

Seek medical care if:

- The wound is deep or you're not sure how serious it is
- The skin is badly torn, crushed or the bleeding won't stop.
- You notice signs of infection, such as swelling, redness, pain or oozing.
