Room 5

Check the next page for
more information

Reminders

Our family advocate has sent out reminder letters regarding physical and dental exams. If your child has not had a dental exam in the past 6months, and a physical exam in 12months please, be sure to schedule an appointment as soon as possible. As of this year children will not be accepted to kindergarten without both current exams.

Room 5 Spotlight

Ms. Missy:
My education is a Bachelors degree in Early Childhood Education. I have been working with children since I was 13 years old. Outside of school I like going to my family's cottage on Hess Lake, reading, and spending time with my cat Moses, my friends and family.

Ms. Taylor:
Hi! My name is Taylor, and this is my 2nd school year at Rogers Lane. Ever since I was in high school, I knew that my heart was in teaching. I love getting to come to school everyday and seeing all the kiddos smiling and laughing! I also love developing positive relationships with my kiddos and their families! When I'm not at school, you can usually find me spending time together with my family or my friends 😊"

May Family Engagement Event

May 16th is our last FEE-our 2nd annual VIP & ME DANCE! We will be rolling out the red carpet to make this a night to remember!

Please make sure to check your Kaymbu messages to RSVP. RSVP will help us better plan for food and raffle.

Help Your Child Succeed in Preschool and Kindergarten

Build the Habit of Good Attendance

DID YOU KNOW...

Make the most of early grades by encouraging your child to attend every day.

WHAT YOU CAN DO

Lay out clothes and pack backpacks the night before.

Visit Attendance Works at www.attendanceworks.org for free downloadable resources and tools!

First Aid: Animal Bites

These guidelines can help you care for a minor animal bite, such as one that only breaks the skin:

- Wash the wound thoroughly with soap and water.
- Stop any bleeding by applying pressure with a clean cloth or towel.
- Cover the bite with a clean bandage. Keep the bandage on until the wound forms a scab. Change the bandage if it gets dirty.

Seek medical care if:

- The wound is deep or you're not sure how serious it is
- The skin is badly torn, crushed or the bleeding won't stop.
- You notice signs of infection, such as swelling, redness, pain or oozing.
